“Our district provides after-school transportation for students in extracurricular activities such as After 3, our school play, and athletics on Mondays through Thursdays.”

### After 3

After 3 is an after school program providing nutritious snacks, tutoring and homework help from the Webster Staff, and an extended learning focus to students in grades K-8. The program is designed to improve student achievement, attendance and behavior by extending the knowledge students have, building upon what they are learning, and creating a desire to learn through engagement and fun.
