

## **Webster School District Educational Options**

Pursuant to Wisconsin State Statute 115.28 (54m), notice must be provided regarding the educational options available to all students who are at least three years old, but not yet 18 years old. Each of the following areas represent educational options for Wisconsin students.

The Webster School District offers students a variety of educational options to children who reside within the boundaries of the Webster School District. The District's educational options are listed below:

### **Webster School District Specific Options:**

#### *Elementary School:*

Webster Elementary School offers full day general education for students in K-4th grade, and full day special education services for all students eligible. In addition, Webster Elementary School offers 4 year old Kindergarten for four full days per week for the duration of the school calendar.

#### *Middle School:*

Webster Middle School offers full day general education for students in grades 5th-8th grade, and full day special education services for all students eligible

#### *High School:*

Webster High School offers full day general education for students in grades 9-12 with credit options that fulfill requirements for a Wisconsin High School Diploma and full day special education services for all students eligible. In addition, Webster High School offers Alternative Learning opportunities for students on a case by case basis.

### **Recommended Options:**

- Attendance at resident public schools
- Full-time open enrollment
- Early College Credit Program, Start College Now and partial enrollment options for pupils enrolled in a home-based private educational program
- Parents of children with disabilities are also advised that there is a special needs voucher program

### **Additional Educational programs offered to eligible students who are enrolled in and attending school in the Webster School District include:**

- Early childhood special education (for students who are at least 3 years old, prior to school-age)
- Special education for students with disabilities
- English language learner services
- Career and Technical Education (CTE) programs
- Personalized learning instructional opportunities
- Alternative educational program(s)
- Summer school programming

- 4 year old transition into school

**High School Program Highlights:**

Students at Webster High School have a wide variety of educational opportunities throughout their time enrolled. These opportunities are provided to meet the needs of our students with variation in coursework as well as to personalize their learning experience to best meet their individual needs. Additionally, we strive to ensure we are providing quality opportunities aligned to our district and community expectations.

Below are opportunities provided for current students enrolled at Webster High School:

**Face-to-Face Classroom Instruction:** Students at Webster High School have the opportunity to enroll in a wide variety of coursework in core academic classes, visual arts, performing arts, career and technical education, family consumer science, and other elective opportunities. These courses offered by Webster High School staff are offered through face-to-face instruction or hybrid online courses taught using our learning management system. Students participating in these educational opportunities are held accountable to the grading for learning guidelines identified by Webster High School and are included in our student handbook. These expectations are further communicated in teacher syllabi and/or course expectation guidelines.

*Additional course opportunities include:*

Advanced Placement (AP)

Transcripted Credits (TC)

Independent Study (IS)

Work-Based Learning

**Early College Credit Program/Start College Now:** Early College Credit Program (ECCP) and Start College Now are collaborative programs between Webster High School, the University of Wisconsin System, the Wisconsin Technical College System and Wisconsin Private Colleges. Students may enroll in college level courses that earn high school and college or technical school credit. Admission is based on school records and/or special interest courses, approval by the School Board of Education and available space. If approved, tuition and fees are paid by the school district up to 18 credits. Upon enrollment in an ECCP course, it is the student's responsibility to notify the college or technical school if the student decides not to take the course. This must be accomplished according to the Higher Educational Institution's policies. Students/families will be required to reimburse the school district for tuition costs in the event of failed or incomplete ECCP/SCN classes.

**Part-time Open Enrollment:** Part-time Open Enrollments provides a means for Wisconsin students to take courses offered by other Wisconsin school districts and also includes the opportunity for students to enroll in courses offered by charter schools, various institutions of higher education and approved nonprofit organizations at no cost to the student. Specifically, part-time Open Enrollments allows students enrolled in a public school district to take up to two courses at any time from an educational institution. Part-time Open Enrollments applications must be submitted and received 6 weeks prior to the start of any course.

For more information, please contact the District Administrator, Jeff Fimreite, at [jfimreite@webster.k12.wi.us](mailto:jfimreite@webster.k12.wi.us) or (715) 866-4391.
