

Webster School District
Annual Asbestos Notification
July 2024

Per the Environmental Protection Agency - Part 763 - Asbestos - Subpart E – Asbestos Containing Materials in Schools - 763.84 General local education agency responsibilities, (c) The local education agency must ensure that workers and building occupants, or their legal guardians, are informed at least once each school year about inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

As such an annual asbestos notification will need to be sent or posted in order to inform workers and building occupants, or their legal guardians about inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

Asbestos Notification

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Webster School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six-month periodic surveillance of asbestos and full re-inspections every three years.

For more information, please contact the district office.
