Hello Families,

A case of COVID-19 has been reported within our Middle/High School Building. The District will be cleaning and disinfecting all areas including classrooms to control the spread of illness.

The person who has tested positive will be excluded from school buildings until they have been determined to be no longer infectious by their local health department. We have worked with Burnett County Public Health Department in contact tracing within our building and the individuals we have identified as a close contact have been informed and will also quarantine as directed.

COVID-19 is a virus that is spread even before individuals show symptoms. It spreads from person to person through droplets created when we cough, sneeze, talk, sing or laugh. **Thus, it is very important for all students, family members and staff members to closely watch for symptoms that are outside of their “normal”, and to stay home if they are ill.** If symptoms occur, please contact your medical provider to request testing.

Please remember to slow the spread of COVID-19:

1. Stay home when ill.
2. Wear a face covering when in public if physically able.
3. Wash hands frequently with soap and water. Use hand sanitizer if soap and water are unavailable.
4. Clean frequently touched surfaces, such as doorknobs, tables, etc.
5. Limit unnecessary travel, events, or large gatherings.

We all need to continue to do our part to slow the spread of COVID-19, and to keep our students and staff members safe. Please contact Julie Steiner at 715-866-4281 or jsteiner@webster.k12.wi.us for further information.

Thank you,
