November 4, 2020

Hello Families,

We have been notified of positive cases of COVID-19 within our school community, all cases were reported to be outside of school hours and the positive cases were not in the Webster School during the contact tracing period.

Those who have tested positive will be excluded from school buildings until they have been determined to be no longer infectious by their local health department. We have coordinated with the students, family and Burnett County Public Health Department in contact tracing. There are several families and individuals that are named as a close contact, each of the families have been contacted and will be quarantined as directed.

COVID-19 is a virus that is spread even before individuals show symptoms. It spreads from person to person through droplets created when we cough, sneeze, talk, sing or laugh. **Thus, it is very important for all students, family members and staff members to closely watch for symptoms that are outside of their “normal”, and to stay home if they are ill.** If symptoms occur, please contact your medical provider to request testing. **Students that report to school with any symptoms of COVID-19 will be isolated and the student and any siblings will be sent home until a medical provider has determined the student is free of COVID-19.**

COVID-19 symptoms include:

Coughing, shortness of breath, difficulty breathing, new loss of taste or smell, fever, body aches, sore throat, chills, headache, fatigue, congestion or runny nose, nausea or vomiting and diarrhea.

Please remember to slow the spread of COVID-19:

1. Stay home when ill.
2. Wear a face covering when in public if physically able.
3. Wash hands frequently with soap and water. Use hand sanitizer if soap and water are unavailable.
4. Clean frequently touched surfaces, such as doorknobs, tables, etc.
5. Limit unnecessary travel, events, or large gatherings.

We all need to continue to do our part to slow the spread of COVID-19, and to keep our students and staff members safe. Please contact Julie Steiner at 715-866-4281 or jsteiner@webster.k12.wi.us for further information.

Thank you,

Julie Steiner, RN
