

September 15, 2020

Dear Webster School District Families,

We are contacting you to inform families that we were notified of a positive COVID-19 case within our Middle School (5-12) building.

Due to the timeframe, there have been no identified close contacts with individuals during the school day, however we feel it is important to remind everyone of prevention methods we can all do to keep ourselves safe.

COVID-19 is a virus that is spread even before individuals show symptoms. It spreads from person to person through droplets created when we cough, sneeze, talk, sing or laugh. Thus, it is ever important for all students, family members and staff members to closely watch for symptoms that are outside of their “normal”, and to stay home if they are ill. If symptoms occur, please contact your medical provider to request testing.

Please remember to slow the spread of COVID-19:

1. Stay home when ill.
2. Wear a face covering when in public if physically able.
3. Wash hands frequently with soap and water. Use hand sanitizer if soap and water are unavailable.
4. Clean frequently touched surfaces, such as doorknobs, tables, etc.
5. Limit unnecessary travel, events, or large gatherings.

We all need to continue to do our part to slow the spread of COVID-19 and to keep our students and staff members safe. Please contact Julie Steiner for further information.

Thank you,

Ashley Nagel
Elementary School Principal
