

The Lakeland Conference and Webster School District are implementing the following safety precautions for Athletic Events:

- Webster High School Athletes will receive up to 6 tickets for **immediate family members**. Immediate family members will be strictly defined as parents/guardians, grandparents and siblings for all levels and events.
- Webster Middle School Athletes will receive up to 3 tickets for **immediate family members**.
- All spectators are required to show a valid ticket upon entry and sign in with their name, phone numbers and complete a symptom checklist.
- All spectators are required to wear a face covering at indoor events and are strongly encouraged to wear face coverings at outdoor events.
- Social Distancing is required at all times.
- Fans are encouraged to bring their own beverages or water bottle as there will be no concessions at Webster events.
- No food of any kind will be allowed to be brought into events.
- At away events fans must follow all requirements of the host school.
- Home events will be broadcast live on the We Are Webster Facebook page.

It is up to all of us to slow the spread of Covid-19 among our students, families and all Lakeland Conference School Districts in order to maintain safe interscholastic competitions for our student athletes.
