**Re: Middle School-End of School Year Information**

Dear Parents and Guardians:

We would like to thank you for your help, support and flexibility during the final term of our 2019-2020 school year. Please know virtual learning would not be our first choice as a means to educate your child. We have witnessed many students diligently working, staying on task and submitting some excellent work. We also have seen some students struggle but have stuck to it. We are thankful for your extra work to make learning a priority for your family. We hope that it allowed you a glimpse into your child's everyday life of learning.

We have some **important** information as the school year winds to a close:

- 1. Packet/Online Learning Opportunities:** The last day for new instructional materials to be provided or pushed out to students was Friday, May 22. May 26-29 and June 1-5 will be the time for students to finish up any assignments and complete some testing. If your child is receiving paper packets, they can return completed assignments via the lunch buses or you may mail it back to the school.
- 2. Chromebook/Textbook Drop-Off/Student Belonging Pick-up:** We have set aside some specific dates for student chromebooks and textbooks to be dropped off at the school. June 8 from 8-4 and June 10 from 8-4. You also have the option to send back Chromebooks/textbooks via the lunch bus routes on those days if that is an easier option. **Please remember Chromebooks should be returned with chargers and case.** Areas will be designated by grade level for drop off so that this can be done in an orderly, safe way.
- 3. Food Service:** Deliveries via our bus routes will continue through June 30. If you still need to sign up for these deliveries, please find the link on our website at [www.webster.k12.wi.us](http://www.webster.k12.wi.us) located under the COVID-19 red tab, or call the middle school office at 715-866-4282.

over please .....

4. **Grades:** Middle School students will be issued a grade of Pass/No Pass for this 4th term of the 2019-2020 school year. All A's, B's, C's and D's will be converted to a "P" (Pass) and listed as such on the student's report card and transcript. All "F" grades will be converted to a "NP" (No Pass) and listed as such on their report card and transcript. A student will have until the end of the 10th day of regular classes of the **2020-2021 school year** to complete the course and earn a "Pass" grade. If they do not, the "NP" will remain on their transcript. A NP will be considered a failing grade for athletic eligibility for the fall of 2020.
5. **Report Cards:** Report cards will be mailed out the week of June 8th. They will also be available in Skyward.
6. **Summer School:** We will not be running any in-person summer school at this time due to current guidelines. August options may be available.
7. **Note from the nurse:** If students had medications in the office, they are now at the Administration Office and can be picked up there during normal business hours. If medications are not picked up, they will be disposed of and not kept for use next year.

Thank you for all you have done for your student(s) during this time. We know it takes a Village and we feel very fortunate to have this community of support. We are anxious to return to the building and educate your child in person.

Working with you to educate your child,

Pamela Peterson  
Middle School Principal
