Re: High School End of School Year Information

Dear Parents and Guardians:

We would like to thank you for your help, support and flexibility during the final term of our 2019-2020 school year. We will eventually all be back to "normal" school, and look forward to seeing our student's face to face again. We are thankful for your extra work to make learning a priority for your family.

We have some **important** information as the school year winds to a close:

1. **Chromebook/textbook/materials Drop-Off and Student Belonging Pick-up:** We have set aside some specific dates and times for student chromebooks and all school materials to be dropped off at the school. June 8 from 8-4 p.m. and June 10 from 8-4 p.m. You have the option to send back Chromebooks/materials via the lunch bus routes those days if that is an easier option. **Please remember Chromebooks should be returned with chargers and case.** Students may keep library materials until next fall. Areas will be designated by grade level for drop off so that this can be done in an orderly, safe way.
2. **Yearbooks** will be available to purchase, the cost is $32.
3. **Food Service:** Deliveries via our bus routes will continue through June 30. If you still need to sign up for these deliveries, please find the link on our website at www.webster.k12.wi.us located under the COVID-19 red tab, or call the middle school office at 715-866-4282.
4. **Grades:** The last day of school is June 5. Report cards will be mailed out the week of June 8 with instructions for Choice Grades - Letter or Pass/No Pass
5. **Summer School**: We will not be running any in-person summer school at this time due to current guidelines. August options may be available.

Thank you for all you have done for your student(s) during this time. We know it takes a Village and we feel very fortunate to have this community of support. We are anxious to return to the building and educate your child in person.

Working with you to educate your child,

Joshua Hetfeld
Webster High School Principal
