Policy Title: Extracurricular Staff Assignments

RESPONSIBILITIES OF COACHES

- I. Good sportsmanship shall be in evidence at all times. Coaches shall set an example to their respective players and spectators on and off the playing fields and courts.
 - A. Coaches shall be responsible for all athletic equipment. Loss of equipment shall be the responsibility of those coaches in charge.
 - B. Purchase of equipment without prior approval will be the individual coach's responsibility and not the district's responsibility.
 - C. Coaches are to assist each other in the conduct of athletic activities during the off season and other special events.
 - D. Activities should be scheduled other than Wednesday evening when possible.
 - E. Athletic equipment shall be used and worn only in athletic activities and will not be worn out of school.
 - F. Coaches shall have a complete knowledge of all WIAA rules as well as conference regulations as they refer to student participation in school athletic events. This also applies to summer athletic activities.
 - G. A complete and accurate inventory must be kept by all coaches and ready for reviewing by the Administration and Board of Education.
 - H. Coaches are always responsible for locker rooms, equipment areas and practice areas. They are to assume the responsibility of keeping those areas locked when not in use.
